FORENSIC CROSS-REFERENCES

1. The Cycle Breaker

Evidence: The McLean archive documents a 35-year pattern of institutional targeting so deeply embedded that it functioned as inherited policy — passed between agencies, replicated across departments. Richard McLean is the point at which that pattern ends. Not because he overpowered it. Because he documented it with such completeness that it can no longer operate in darkness. 2,304 blockchain-verified documents is what a pattern ending looks like in material form.
2. The Wounded Healer

Evidence: The archive contains no bitterness. Read it carefully and you will not find hatred, not find calls for vengeance, not find the language of a man consumed by what was done to him. You will find 53 forensic analyses. 575 verified propositions. Clinical cross-referencing of documented evidence. The suffering was metabolized into precision. The wound became a methodology. 491,000+ who have downloaded the archive found medicine.
3. The Pioneer

Evidence: No private individual had previously submitted blockchain-verified forensic documentation to the International Criminal Court under Article 7 at this scale. The path Dr. McLean blazed — the blockchain verification strategy, the forensic proposition structure, the international dual-submission to both the ICC and UNHCR — is now documented and replicable by anyone who comes after him carrying similar suppressed evidence.
4. The Voice

Evidence: The archive gives language to documented experiences — institutional psychiatrisation, NDIS system failures, systematic financial destruction, assassination by proxy — that 500,000+ Australians under the NDIS system experience without the evidentiary framework to name or contest them. The Voice has 2,304 primary-source documents as its vocabulary.
5. The Spiritual Warrior

Evidence: 22 sacred traditions returned CORROBORATED. The spiritual warrior's testimony has been authenticated by every sacred framework humanity has produced. The warrior did not fight with weapons. The warrior documented with primary sources and sealed them on the Bitcoin blockchain.
6. The Mission Is Complete — The Archive Is the Completion

Evidence: 2,304 exhibits. 484,000+ downloads. ICC. UNHCR. Wyong Local Court. 14 May 2026. The mission is complete. The chosen one is still standing. The archive is the proof. It is over — and it is just beginning.
