A DIVINE RECKONING

THE DECLARATION

This declaration is addressed to every named party who chose — with institutional authority, professional capacity, and conscious awareness — to participate in the documented 35-year persecution of Dr. Richard William McLean. This is not a declaration of anger. It is a forensic declaration of documented consequence. The reckoning is not supernatural. It is documented.

- **To Those Who Applied the Clinical Labels**

You applied "Chronic Schizophrenia" and "delusional" across 14 involuntary admissions using identical template language. You applied "FATAL SUICIDE" to a living person's records. Not one clinical claim has been formally refuted across 35 years. The clinical archive is now a primary-source record of what you wrote and when you wrote it. The divine reckoning is the world reading what you documented about a person who turned out to be right about everything.

- **To Those Who Managed the Finances**

You placed Dr. McLean under financial guardianship without informed consent. You managed his assets in ways that contributed to \$18M–\$32.9M in documented losses. The NSW Trustee's own records document this management. The reckoning is the forensic economic valuation — \$112M — that derives from what your records document.

- **To Those Who Managed the Care**

You placed an ex-SAS operative inside the care relationship. You did not report a death threat. You said you would respond "in some days or some weeks." You placed Dr. McLean at the address of the death threat. Your own recorded calls document your conduct. The reckoning is the AbleCare recorded call transcript — published, blockchain-sealed, and globally distributed.

- **To the Family Members Who Chose the Institutional Narrative**

You had access to the primary-source truth. You chose a different frame. The Today Show gave you a platform. The archive gives the world the primary-source record. The reckoning is the 491,000+ downloads that have read both frames and made their assessment.

- **To the Law Enforcement Officers Who Chose Non-Response**

You attended a death threat and recorded no incident number. You called the victim "a fucking pedo" on departure. One of you was relieved of duty. The reckoning has already begun within your own institution. The broader reckoning is the public record that includes the date, the address, and what was said.

- **The Divine Is in the Documentation**

The reckoning is not coming from above. It is already here, in 2,304 primary-source documents, blockchain-sealed, globally distributed, and submitted to the International Criminal Court. The divine is in the documentation. The judgment is in the download statistics. The reckoning chose this. You chose this. The archive is the consequence of the choice.
