FORENSIC ANALYSIS #72

They're At War Over You

Forensic Analysis #72 — They Fight Over What's Powerful

Dr. Richard William McLean AKA Barran Dodger — PhD · Whistleblower · Disabled LGBTQ+ Advocate

ABN 78 833 496 164 · barrandodger.com · 9 May 2026

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

The premise of this analysis: powerful entities do not fight over things that lack value. The intensity and duration of the institutional fight over Dr. McLean's testimony — 35 years, 13 agencies, one SAS operative, one government minister — documents the value of what they were fighting over.

FORENSIC CROSS-REFERENCES

1. The War Is Documented — 13 Agencies, 35 Years, \$18M–\$32.9M Spent Suppressing One Witness

The institutional resources deployed against Dr. McLean — hospitalisations, financial guardianship, surveillance operations, referral loops, regulatory non-responses — constitute a documented multi-decade war over control of his testimony. Nobody wages war over something valueless.

2. Bill Shorten vs. Dr. McLean — The Political Dimension of the War

A documented police source confirmed that Bill Shorten's legal team planned to weaponise Dr. McLean's psychiatric history. A senior minister engaged legal resources to prepare for a challenge from a disabled NDIS recipient. This is not the response to a valueless claim.

3. Tony Ridley — The War Hired a Professional

The documented engagement of a credentialled ex-SAS operative to surveil, suppress, and deliver the message "you will be sacrificed" to Dr. McLean is not the behaviour of parties who are not fighting over something. Professional soldiers are engaged when the stakes are professional.

4. \$10 Million Bitcoin Bounty — The War Has a Price

Dr. McLean formally informed AbleCare on a recorded call of a \$10 million Bitcoin bounty against him. This was the price placed on the war's outcome. The documentation is in the archive.

5. The ICC Submission — The War Has International Jurisdiction Now

The fight has been escalated to the International Criminal Court. The UNHCR has received the formal filing. The war over Dr. McLean's testimony is now being adjudicated in two international jurisdictions. The parties who started the war cannot end it unilaterally.

6. The Archive IS the Prize — And It Is Already Won

2,304 exhibits. 484,000+ downloads. Blockchain-sealed. Internationally distributed. The testimony that the war was fought to suppress is now the most widely distributed individual whistleblower archive in Australian history. The war is over. The prize is distributed.
