FORENSIC CROSS-REFERENCES

1. Scott Tredwell Letter — Federal Court Letterhead Confirming Protected Disclosure

Federal Court General Counsel Scott Tredwell wrote on Federal Court letterhead: "I am satisfied that you are, or were, an employee with the Department of Social Services" and the disclosure "tends to show conduct that unreasonably results in a danger to the health or safety of persons." The government's own Federal Court confirmed whistleblower status and danger in writing. This is in the archive.

2. NDIS Plan Documents — Financial Entitlement Confirming Suppression

The government's own NDIS plans document the support entitlements that were suppressed, redirected, or denied. Every plan that was underfunded relative to documented need is a government-authored document in the case against the government.

3. Clinical Records — "Chronic Schizophrenia" Applied in Identical Template Language

The clinical records authored by government-funded psychiatric facilities use identical template language across 14 independent admissions. Independent clinical assessments do not produce identical results. The government's own clinical records demonstrate coordination.

4. CDDA Scheme Response — October 2021 Claim Still Unresolved 2026

The government's own CDDA (Compensation for Detriment Caused by Defective Administration) process received Dr. McLean's formal claim in October 2021. As of 2026 — 4+ years later — no outcome has been issued. Every day of non-response is a government-authored exhibit in the delay documentation.

5. 350+ ASIC Registrations — Government Regulator's Own Registry Documents the Fraud

350+ fraudulent ASIC identity registrations using Dr. McLean's identity are recorded in ASIC's own registry. The government's own regulator maintains the evidence of what was done to Dr. McLean's identity. The file is ASIC's.

6. UN Formal Registration — UR/UST/23/AUS/17

The UN Human Rights Committee formally registered Dr. McLean's submission as UR/UST/23/AUS/17. This is the United Nations' own file. The government's own failure to respond to a UN-registered human rights complaint is documented in the UN's own records.
