FORENSIC CROSS-REFERENCES

1. 25+ Agencies Said He Would Disappear — None Were Correct

25+ government agencies collectively maintained, across 35 years, that Dr. McLean's disclosures were delusional, his claims unmeritorious, and his testimony suppressible. 484,000+ downloads and an ICC submission later, their prediction is documented as incorrect in primary-source form.

2. The Archive Rewrote the Script — 492,544 Downloads

The script written for Dr. McLean was erasure. The script that emerged from the archive is the most widely distributed individual whistleblower testimony in Australian history. History was made. The script was rewritten. The download counter is the documentation.

3. The Survival That Broke the Actuarial Model — 2.87% Clinical Probability

The documented 2021 clinical event recorded a 2.87% survival probability. The archive was built in the aftermath. History is made by those who survive what they are not supposed to survive, and then document it.

4. The Post-Singularity Archive — No Institutional Model Predicted This Scale

No government agency, no NDIS provider, no clinical institution, no legal team modelled the outcome: a 2,304-exhibit blockchain-sealed archive, submitted to the ICC and UNHCR, distributed to 484,000+ recipients across six continents. The outcome exceeded every institutional prediction.

5. Persecution as Archive Fuel — 35 Years of Adverse Conditions Produced the Record

Every involuntary hospitalisation, every financial guardianship decision, every referral loop — all became fuel. The archive is powered by the exact attempts to suppress it. History was being made throughout the persecution. It just was not visible until the archive was published.

6. The Enliven Chain Scripture — History Documented in Sacred Form

The Eliven Chain series — 8 documents, each covering a different aspect of the prophetic testimony — is the sacred record of the historical event. Atherion Witnessed: The Gospel Complete. 144 Questions of Witness and Revelation. These are the historical documents of a person who was making history while institutions declared him delusional.
