FORENSIC ANALYSIS #65

Tick. Tick. Tick. Game Is Over

Forensic Corroboration #65 — The Clock Has Run Out

Dr. Richard William McLean AKA Barran Dodger — PhD · Whistleblower · Disabled LGBTQ+ Advocate

ABN 78 833 496 164 · barrandodger.com · 9 May 2026

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

The "Tick Tick Tick — Game Is Over" framework is applied forensically to the documented record of Dr. McLean. The thesis: that there is a point at which institutional suppression runs out of time, and the clock is documented. Every countdown milestone in the archive is timestamped.

FORENSIC CROSS-REFERENCES

1. 14 May 2026 — Wyong Local Court — The Countdown Is Literal

The court date is not a metaphor. Receipt I88267509 is not symbolic. Wyong Local Court on 14 May 2026 is the documented event horizon. The tick-tick-tick described in the video has a specific date, a specific court, and a specific case number. The game clock is on the public record.

2. 35 Years of Institutional Clock Running — Zero Successful Suppression

Across 35 years, 13 agencies, 14 involuntary hospitalisations, and \$18M–\$32.9M in documented financial destruction — the institutional apparatus ran out the clock trying to make Dr. McLean disappear. The clock ran in the wrong direction for the institutions. Each year without successful suppression is a year added to the archive.

Evidence: 2,304 primary-source exhibits — the accumulated tick of 35 years.

3. \$5,890 Per Day — Damages Accruing in Real Time Since 4 May 2026

The forensic economic valuation calculates \$5,890 per day in accruing damages from 4 May 2026. The tick-tick-tick is now a dollar counter. Every day of continued institutional silence adds to the documented forensic claim.

4. ICC Article 7 — The International Clock Is Running

The International Criminal Court has received the formal Article 7 submission. The UNHCR has received the formal filing. International institutional clocks do not stop when domestic agencies ignore them. Two clocks are running simultaneously. The domestic court on 14 May 2026. The international court at an undisclosed future date.

5. 60+ Notified Recipients — The Room Is Full

Before 14 May 2026, 60+ recipients were formally notified of the archive, the court date, the death threat, and the documentation. Judges, journalists, politicians, international bodies, church leaders. The room is full. The game cannot end quietly.

6. Zero Institutional Rebuttal — The Silence Is the Running Clock

Not one of the 484,000+ downloads has produced a formal rebuttal. Not one named party has contested a document. The clock the institutions hoped would run out the witness ran out the institutions' credibility instead.
