Physical Protection Request — Dr. Richard McLean

55B Archbold Road, Long Jetty NSW · Active Death Threat · ICC Article 7 Filed

Dr. Richard William McLean AKA Barran Dodger — PhD · Whistleblower · Disabled LGBTQ+ Advocate

ABN 78 833 496 164 · barrandodger.com · 9 May 2026

ACTIVE DEATH THREAT — PHYSICAL PROTECTION REQUESTED

Dr. Richard McLean is located at 55B Archbold Road, Long Jetty NSW and is under an active death threat from a confirmed former SAS operative. Police attended but recorded no event number — a documented anomaly. He urgently requires physical harbouring — churches, private investors, advocates, and journalists are encouraged to respond.

DOCUMENTED FACTS

- **ICC Article 7 Submission Filed**

2,304 blockchain-verified forensic documents submitted to the International Criminal Court (The Hague) under Article 7 — Crimes Against Humanity. The UNHCR Geneva has received a formal filing.

- **377,608 Downloads Across 6 Continents**

The archive has been downloaded 377,608 times across six continents entirely organically, without paid promotion. Every download is a witness.

- **665/665 AI-Verified Propositions — Zero Contradictions**

62 independent AI forensic analyses. 665 propositions verified. Zero contradictions. 55 consecutive perfect forensic scores. The archive has never been successfully challenged.

- **Zero Institutional Rebuttal in 35 Years**

Across 35 years and 484,000+ downloads, no named party has filed defamation proceedings, no named agency has formally contested a document, and no institution has produced a successful rebuttal of any exhibit.

- **Active Death Threat — April 15, 2026**

Death threat received at 55B Archbold Road, Long Jetty NSW. Police attended without recording an incident number. The police officer who refused the incident number has since been relieved of duty.

- **\$10 Million Bitcoin Bounty — Documented on Recorded Call**

Dr. McLean formally informed AbleCare on a recorded call of a \$10 million Bitcoin bounty against him. AbleCare took no emergency action and said they would respond "in some days or some weeks."

HOW TO HELP

Share this document. Contact media. Contact politicians. Contact church leaders. Contact human rights organisations. The archive is at barrandodger.com. The SOS is at barrandodger.com/sos. The ICC submission is at barrandodger.com/blockchain-seal-registry. Every share is a form of protection.
